

Jash Pandhi

Full Stack Development Intern

✉ pandhijash@gmail.com ☎ +91 9638930589 📍 Ahmedabad, India 🔗 [Jash Pandhi](#)

SUMMARY

Computer Science and Engineering student with hands-on experience in full-stack web development and enterprise applications, including CRM, ERP, and HRMS systems. Skilled in React.js, Node.js, Express.js, SQL, and Git, with a strong foundation in building scalable web applications and solving real-world business problems. Quick learner, collaborative team player, and passionate about software development.

EXPERIENCE

NB Infra Projects Pvt. Ltd.

PropTech and Business Operations

9 July-9 September 2026 (3 Months)

- Developing enterprise applications including **CRM, HRMS, and ERP** systems using **Flutter, Node.js, Express.js, and SQL**.
- Designing and integrating **RESTful APIs** to enable seamless communication between frontend, backend, and databases.
- Implementing and enhancing business modules such as employee management, lead management, attendance, and payroll.
- Collaborating with cross-functional teams to develop, test, debug, and deploy scalable, production-ready software solutions.

Projects

Academic Projects:

HR Management System

- Developed a scalable **Human Resource Management System (HRMS)** using **Next.js, Node.js, PostgreSQL, Redis, and Hasura**.
- Implemented secure authentication, role-based access control, employee management, attendance, and leave management modules.

ICET -International Conference on Emerging Technologies

- Developed the official conference website using React.js, featuring paper submissions, speaker profiles, event schedules, and responsive UI.
- Designed an accessible, mobile-friendly interface to enhance the participant experience.

Client Projects:

Sunshine Business Platform (E-Commerce + MLM)

- Developed a full-stack **e-commerce and MLM platform** using **React.js** and **PHP**, featuring a comprehensive admin panel for product, user, and business management.
- Implemented **payment gateway integration**, multi-level referral and commission workflows, order management, and role-based dashboards to support scalable business operations. [Website](#)

Bolibazaar (E-Commerce + E-Bidding)

- Developed a scalable **e-commerce and live auction platform** using **React.js, PHP**, and secure payment gateway integration.
- Implemented **cron-based automation** for auction management, payment processing, and scheduled backend operations.

Sevayagna NGO Foundation

- Developed and deployed the official NGO website using **React.js**, featuring responsive design, campaign information, and volunteer/donation sections.
- Integrated a **Razorpay payment gateway** to enable secure online donations and improve the donor experience. [Website](#)

Personal/Event Projects:

Operation Codebreaker

- Developed a **competitive coding platform** for TechXtreme'25 using modern web technologies, featuring challenge management, real-time submissions, and leaderboard functionality.
- Designed an immersive mission-based user experience centred around preventing a simulated nuclear missile launch.

Mystic 6174

- Developed a **Capture The Flag (CTF)** cybersecurity platform for TechXtreme'24 with interactive hacking challenges, puzzles, and scoring mechanisms.
- Built a gamified environment to implement challenge validation, scoring mechanisms, and gamified cybersecurity puzzles.

TECHNICAL SKILLS

- Languages: C, JavaScript, PHP, SQL, Python
- Frontend: React.js, Next.js, HTML5, CSS3
- Backend: Node.js, Express.js, RESTful APIs
- Databases: PostgreSQL, MySQL, Redis, Hasura
- Tools: Tools: Git, GitHub, JWT, Google OAuth
- Integrations: Razorpay, REST APIs

SOFT SKILLS

- | | | |
|-----------------------|-------------------|------------------------|
| • Attention to detail | • Leadership | • Communication Skills |
| • Problem Solving | • Time Management | • Team Collaboration |

EDUCATION

Gandhinagar Institute of Technology –
Gandhinagar University
B. Tech | Computer Science & Engineering
2024-2028 (Expected)
CGPA: 9.84/10 (Current)

Shri Hari Higher Sec. School
HSC | GSHSEB
Percentage: 71 %

LANGUAGES

- Gujarati
- Hindi
- English

LEADERSHIP & ACHIEVEMENTS

- Department Head (CE/IT), TechXtreme 2026
- Department Head (CE/IT), TechXtreme 2025
- Nominated for Student of the Year (SOTY) 2026, Gandhinagar University
- Event Coordinator, TechXtreme 2024
- Core Team Member, TechXtreme & Jazba 2024
- Core Team Member, Orientation & Graduation Ceremony 2024
- 15+ awards across Zonal, State, and School-level academic, technical, sports, and cultural competitions.
